Colorado Women's Chamber to Host New Speed Mentoring Program

DENVER – December 29, 2009 - The Colorado Women's Chamber is connecting seasoned practitioners with young professionals through a new mentoring program in 2010. The program will kick off at the Business After Hours reception and Art Gallery Opening on January 6, 2010 from 5 p.m. to 7 p.m. at the CWCC offices, 1624 Market St., suite 340, Denver, Colo.

The new CWCC mentoring program will take on a "speed networking" format. Young and seasoned professionals will be partnered and entitled to a timed session of two and half minutes each to ask questions and lend advice to one another. When the five minutes are up, another pair, consisting of a seasoned and young professional, will repeat the process.

"This is a great opportunity to gain new perspectives and learn what each professional has to offer," said Colorado Women's Chamber CEO, Donna Evans.

The cost of the event is \$10 for CWCC members, \$15 for non-members and walk-ins. Young professionals are offered a discounted rate of \$5 for members and \$10 for non-members. Participants will enjoy a wine tasting provided by VINO 100 and food provided by Sam's Club.

To register for the Business After Hours and Mentoring program, visit www.cwcc.org/events. In the comments section, please indicate that you would like to participate in the speed mentoring program.
