

WOMEN OF IMPACT AND INFLUENCE

A Leadership Program

As leaders, women are still struggling to get to the very top. A staggering 86% of woman-owned businesses have only one employee, women make up only 14% of CEOs, and Colorado is nearly last in the nation for the number of women on publicly traded boards.

THE COLORADO WOMEN'S CHAMBER IS WORKING TO CHANGE THESE STATISTICS FOR WOMEN IN BUSINESS.

Are you an emerging leader?

Do you have a desire to lead and influence your community?

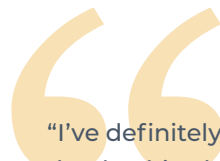

Are you eager to learn and build relationships with other like-minded, professional women?

THEN THIS PROGRAM IS FOR YOU.

Join the Colorado Women's Chamber of Commerce's **WOMEN OF IMPACT AND INFLUENCE LEADERSHIP PROGRAM** to grow in business, build a strong network of powerful women, and tap into higher levels of community engagement on issues that affect women.

DIVE DEEP INTO TOPICS THAT WILL SHAPE YOUR FUTURE:

- Gain skills to help you advance in your career, apply yourself for promotions and negotiate once you get there.
- Learn about growing industries from C-suite female leaders in those industries.
- Open your heart and mind to social impacts that keep women in poverty and prevent them from becoming self-sufficient. Use your talents and skills gained to help solve these issues.

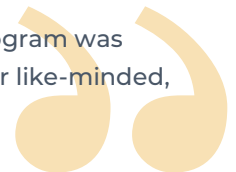

"I've definitely grown more confident in my own leadership skills participating in the CWCC's Women of Influence and Impact. I've been forced out of my comfort zone on several occasions and that has given me the confidence to venture out of my comfort zone back at work."

— Jessica Hudgins, Goodwill Industries of Denver

"One of the best parts of the program was the ability to connect with other like-minded, inspirational women!"

— Jennifer Case, Vectra Bank
